

**Mishka Foster, Economic Development Branch, Brisbane City Council**

Mishka Foster is Principal Analyst in the Economic Development Branch of Brisbane City Council. Mishka manages a program of research and analysis into the Brisbane economy and is responsible for advising on Council and State policies impacting on Brisbane's economic development. Since joining Council at the start of 2007, Mishka has been project manager for the completion of an extensive employment and economic forecasting project for the whole of South East Queensland. This project was commissioned jointly by the SEQ Council of Mayors and the Queensland Government. Prior to joining Council, Mishka was Director of the Smart State Unit in the Department of Premier and Cabinet, Queensland Government.
